Dear Mrs. Manley:

I have your letter of March 4th, and Alex Pompey on the occasion of his visit here during the Negro American League meetings, gave me a general line on contents.

It is my intention to be over in New York and Philadelphia this coming week, and somehow or another, will try to reach you on the telephone, and discuss various angles, suggestions and whatnot, in detail.

Closing with kindest personal regards, and wishing you the very best with your preparations for a most successful season of the diamond sport, I am,

AMS:NS

Very truly yours,

A. M. Saperstein
